**PMS COLOUR MATCHING**

All printing is done using CMYK on a large format printer.  
Pantone Colours / PMS can be supplied they will be converted to a CMYK breakdown for digital printing.  
Please state to our Graphics Coordinator if you require colour matching to either a PMS colour or a physical sample.  
While we make every effort to match PMS colours, slight variation in colour will occur.

Please Note:  
All artwork is printed in CMYK colour space  
Please Convert all PMS or RGB artwork to an equivalent CMYK breakup

Please be aware that slight colour variation may occur in the printing process from a monitor output.  
Place artwork in the designated layer of this document

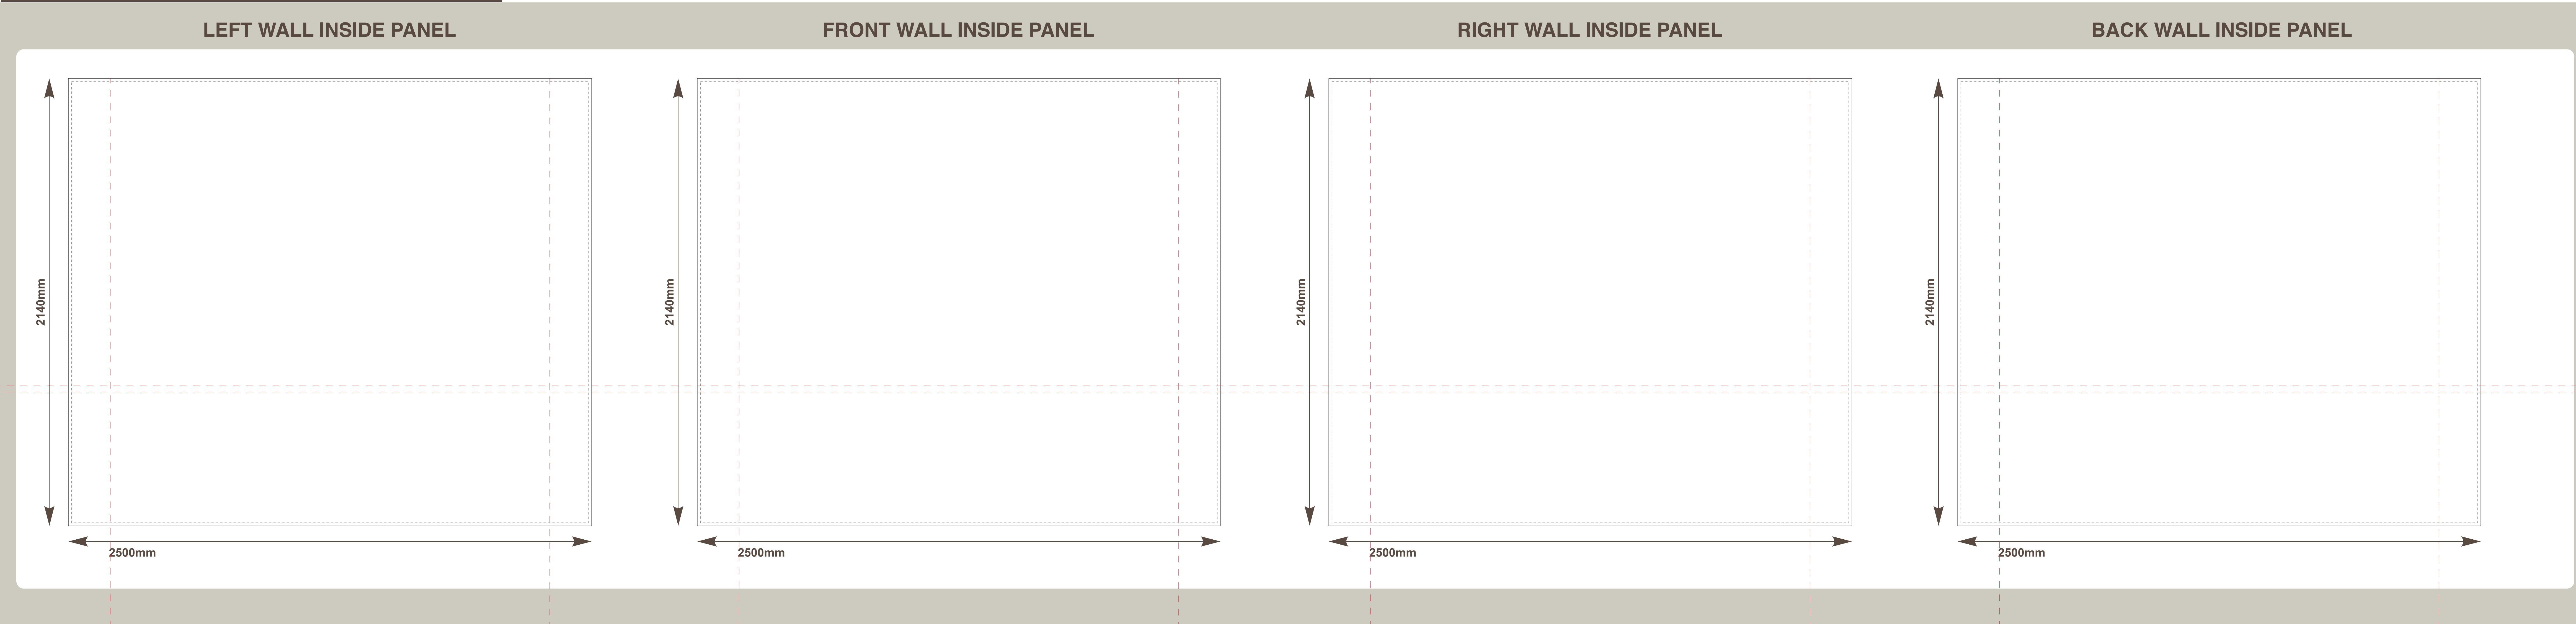

This template is designed at a 10% scale of the final product.  
Rasterised artwork supplied at 300dpi to suit this template size is the minimum requirement for a high quality final print
